DESCRIPTION

US News Universities Rankings 2017 edition

SUMMARY

National Universities Rankings

In-the-News From 9/13/16 press release (<http://www.usnews.com/info/blogs/press-room/articles/2016-09-13/us-news-releases-2017-best-colleges-rankings>):

U.S. News & World Report today announced the 2017 Best Colleges rankings to help students worldwide compare the academic quality of more than 1,800 U.S.-based schools. Princeton University remains No. 1 in the Best National Universities category. For the 14th consecutive year, Williams College takes the top spot on the Best National Liberal Arts Colleges list.

Source: U.S. News Best College Rankings (<http://colleges.usnews.rankingsandreviews.com/best-colleges/rankings/national-universities>)

Schools in the National Universities category, such as Columbia University and the University of Pennsylvania, offer a full range of undergraduate majors, plus master's and doctoral programs. These colleges also are committed to producing groundbreaking research.

About the data

Name - institution name

Location - City, State where located

Rank Read methodology here (<http://www.usnews.com/education/best-colleges/articles/how-us-news-calculated-the-rankings>). *This dataset does not include unranked schools or any data that requires purchase / special access (i.e., exclusive to the U.S. News College Compass product).*

Description Snippet of text overview from U.S. News

Tuition and fees Combined tuition and fees. *For public universities with different tuition structure for in-state vs. out-of-state students, this number reflects out-of-state tuition.*

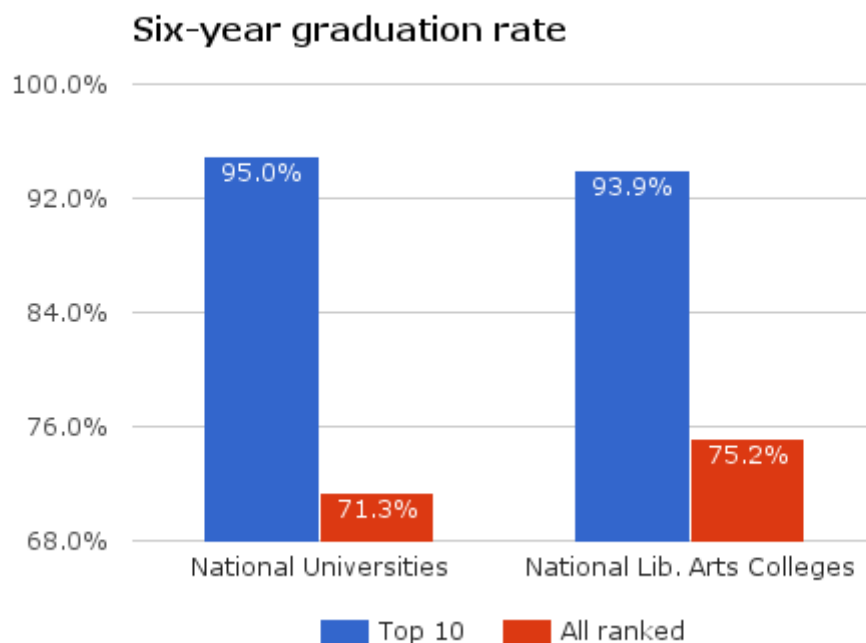

In-state *For public universities with different tuition structure for in-state vs. out-of-state students, this number reflects in-state tuition.*
